Message to NPPOs on RBS

- **Prosperity** of our countries depends on the health of our economies...
- **Trade** is a key factor in the economy, especially agricultural trade...
- **Free, fair, safe, and fast** trade is good for everyone...
- **Inspection** is the most common and widely applied phytosanitary measure affecting trade...
- Risk-based inspection policies and procedures are not only consistent with our agreed international obligations, **they are the right thing to do!**

RBS - Implement

- RBS manual will be ready in 2020
- Useful for future RBS events
- NAPPO website will continue to post available RBS materials
 - Publications
 - Videos
 - Hands-on exercises

Thanks!
